## RATINGS: COURSE/SLOPE

Men	Blue/White	57.8/89
Women	Blue/White	58.5/86

## Severe Weather Policy

If and when The Golf Center becomes aware of impending threatening weather in the vicinity of the golf courses, The Golf Center will sound a weather warning. This warning will consist of one long blast on sirens located around the course. The golfer, at this point, should take appropriate actions that he or she feels necessary. If and when the threatening weather has passed, the sirens will again sound with two short blasts.
